Regarding: Elijah Smith Grade Deficient Hardship

Tom,

Elijah recently enrolled at Hillsboro High School on 11/20/2015 after being home schooled his entire freshman year and the beginning of his sophomore year. Elijah's grade level counselor has set up a graduation plan for Elijah to graduate with his class of 2018. This transfer from home school to Hillsboro High School is due to a family medical issue and hardship.

We support Elijah's grade deficient hardship for your review. If you have any questions please don't hesitate to contact us.
