Dear Scott:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA rules. After carefully reviewing all of the information that you have submitted, I have concluded that the student is not eligible at this time. However, the circumstances surrounding this situation warrant that the student's academic progress be closely monitored and eligibility will be granted on the above date if the student is meeting OSAA academic requirements at that time.

The student will become eligible on January 6, 2016, if he meets all of the following conditions: (1) Weekly monitoring by the school of this student's academic progress each Monday, (2) The student must be attending school regularly (NO unexcused absences) each week, (3) The student must be passing ALL classes each week, and (4) The student must be regularly working on and completing online credit recovery classes (at least 1 per month) so that he can try to graduate in June 2016.

If the student fails to meet all of these conditions each week then eligibility is immediately revoked for the remainder of the school year.

I sincerely hope that this student will benefit from this waiver.

Sincerely,

A handwritten signature in black ink that reads "Tom Welter".
