Dear District Hardship Committee,

I am writing this letter to request a hardship for Cecilya Saldana. Cecilya is a Sophomore here at Century High School. She is a transfer without her mother. Cecilya transferred to Century on September 8, 2015 from Connections Academy via Trevor Brown High School in Arizona. The transfer took place because her mother was in and out of work just trying to make it and they lived wherever they could to survive. Cecilya has now transportation to get to school, as Arizona's school system does not have public transportation. Her attendance was not very good, reflected in the fact that she did not earn any credits from her 1st semester of her Freshman year. The family decided to have Cecilya move up to Hillsboro and stay with her Uncle, who enrolled her into Connections Academy during the second semester of Cecilya's freshman year where she earned 2 credits. She needed to get a fresh start and a reason to get out and meet people. She enrolled at Century at the beginning of the school year and has been doing outstanding academically earning a 3.25 during the first quarter.

In talking with Cecilya, she has a real passion for sports, which will go a long way to helping her get acclimated and meet new friends. She is committed to her academics in order to participate in basketball this season.

By allowing Cecilya the opportunity to participate in basketball, where she will be on the JVII team it will help her adjust and give her a positive focus in her life.

I have talked with my principal, Martha Guise and she is support of this hardship.

Thank you for your consideration of this hardship!

Sincerely,

Kris Welch

Cecilya Saldaña

12.7.15

I was missing school in Phoenix because of a lack of transportation. There was no school buses in my district. I couldn't find the money to ride the public bus to school every morning and going back. My mom was busy most of the time so I wasn't able to get rides that often. We also had to move to a lot of houses during the beginning of my Freshman year and during that summer.

I couldn't find the time to sit down and do my work unless I stayed after school and look the chance of finding someone that could drive me home. Because of the instability there, My mom had me come live with my great Uncle and Aunt until she got on her feet. Also for a better school, environment and to get my grades up. I came up here to better my future and be lead in the direction I want to be in.

To whom it may concern,

Cecilya Saldana has been living with my wife and me since February 2015.

We enrolled her in the Connexions Academy for 9th grade (last year) because she had missed so much of the school year and it seemed she would have more opportunity to catch up as much as possible in that environment. She worked hard and did well in the few months she had. This year Cecilya wanted to attend a brick and mortar school so she could participate in extracurricular activities and sports. Cecilya has been doing well in school with a 3.25 grade point average.

We own a home in the Hillsboro school district and plan to stay here and have Cecilya live with us at least until she goes to college.

We think it would be very valuable for Cecilya to be able to participate in sports at Century High School.

Thank you for your attention to this matter.

Keith Pinstor

I sent my daughter, Cecilya Saldana, to live with my uncle, Keith Pinstter, and his wife in February, 2015. We had been living in Phoenix and I was unable to find a job. Because we had to stay with different friends or in shelters, she was unable to go to school consistently. I wanted her to have a stable home life and my uncle is able to provide that for her.
