To Whom It May Concern:

Sabina Villalba-Botello is living with us as a foster child in the Oregon Community Program foster care program. She is very excited about participating in the Elmira High School wrestling program this year. She has not had this opportunity in any of the other foster homes/programs she has been in.

She is doing very well in school and on the last grade report she had 3-As & 3-Bs. She is very conscientious about getting her class work done and following the rules of the foster program.

I believe even though she was not in a regular high school last year that she should be able to participate in wrestling this year. She has set up a schedule to make up any credit deficit she has.

Thank you for giving her this opportunity.

Sincerely,

Rebecca Clover
