Honoring Tradition, Inspiring Excellence, Shaping the Future

Tom Welter,
Executive Director OSAA

Mr. Welter,

I am writing this letter in support of Destiny Smith, a sophomore at Scappoose High School who started the school year not on track to graduate. Destiny has completely turned around her education experience and has direction and goals.

As you can see from the transcript, Destiny dropped out of school last year after one term. In that term she did not do well. She came back to school this fall with a new lease on life. Her attendance has been great and she is currently passing all classes with the inclusion of 3 A's and 3 B's. We currently have her on a plan where we check her grades and attendance on Fridays. We also have her enrolled in our on-track program which allows her to regain credits that have been missed. I believe Destiny will be on track at the end of this school year.

I believe this would be a great reward and would help to accomplish Destiny's goal of graduation. Thank you for your consideration.

Thank you

Sincerely,

Robert Medley
Athletic Director
