### Notes

Christian Johnson was at a correctional school. He was not there to participate in any athletics. He was there for a disciplinary reason. His home town has been Oakridge, and he has been a student in the community since kindergarten until the past couple of years when he was doing some online schooling and then attending Stepping Stones. His transcript report says grade 10, but I have verified that it should say grade 9.

To whom it may concern:

Christian Johnson returned to the Oakridge School District on December 9, 2015. He was previously attending another school because of disciplinary reasons and was court appointed to attend the Stepping Stone School. He returned to our District after serving his time. He was not involved in any athletics at Stepping Stone and he was not encouraged to come back to our District because of athletics. He and his parents have been living in the community for many years, and he has been attending Oakridge School District since he was in kindergarten.

Sincerely,

Greg Chapman

Interim Principal
