FOR: Kaylynn Henry

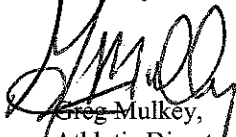

It is my pleasure to write a request for Kaylynn Henry to participate in athletics at Marshfield High School.

After speaking to Kaylynn about her family history, I do not hesitate to write a letter of support for allowing her the opportunity to participate in athletics. As you will see in her letter and Theresa Haworth, Resident Care Coordinator, athletics are much more important to Kaylynn than Kaylynn is for athletics. Although, I will say, Kaylynn's potential to be a good basketball player is very good, allowing her to be successful and gain confidence.

I am convinced after speaking to Kaylynn that she is determined to turn her life around and move in the right direction. She's demonstrates the passion necessary to be successful. I believe if she is allowed the opportunity to participate in basketball, it will pay dividends for her accomplishment of completing all necessary requirements to graduate.

Thank you for your time and consideration.

Sincerely,

Greg Mulkey,
Athletic Director
