

Worse with her in her body -
Friend I moved with my Grandm
a and during that time I
was doing good. Then I moved
back with my mom and
started getting into the wrong
crowd cause I was able
to do what I wanted I
started using drugs and Alcohol
and got put on Probation
and kept getting locked up
a lot my choices were very
poor. An I got sent to
a treatment at Lithia Springs
and ran after 3 months and
went to Washington and started
using there with some friend
and got caught up and
sent to Juvenile Detention and
got transferred to the helix
