To Whom It May Concern:

Cameron Taylor is a senior at North Salem High School. We are proud of his accomplishments this year. His family and teachers are pleased as well with his efforts thus far in his final year. He has worked on his attitude and his academics (3.00 average) and has made significant improvements.

Unfortunately, last year, he experienced a season of discouragement resulting from personal struggles that led to a downfall of his grades. His attendance was poor and he lost sight of being focused on his education.

This year, he has regained purpose and direction in order to finish high school well. He has persevered. He has proven that life's challenges can be overcome. He continues on a daily basis to complete assignments, ask questions and study diligently.

This letter is being written to you requesting eligibility to play during this basketball season. His grades from the last season have prevented him from being an active player. It has been a lifelong dream to take part in this team sport. Cameron has really worked hard to have this opportunity. Please approve this eligibility request.

Sincerely,

Cynthia A. Richardson  
Principal
