Re: Kathryn Robles

Dear OSSA Committee:

I am writing in support of my daughter Kathryn Robles and her request to be allowed to compete this year with the Lakeridge swim team. Kathryn has struggled with health issues over the past several years. Thankfully Kathryn has now recovered and is working hard to make up course-work and regain fitness (which is essential to her overall health and well-being). Allowing Kathryn to compete will provide her with the added incentive to keep exercising and will also help to keep her from becoming isolated – a real concern for parents of kids who are taking online courses. The Lake Oswego School District has been dedicated to providing Kathryn with the tools she needs to graduate in May. One of these tools is by providing her an opportunity to swim with Lakeridge. Allowing Kathryn to compete will impact her academically, socially and emotionally in a positive way. Thank you for your consideration.

Sincerely,
