The reason my daughter  
Selena Lavoie has been transferred  
from Dallas High School to Falls City  
High School is because she works  
better in a smaller school, also she  
was also being harrassed in school.

Terri Lavoie

The reason why I transferred from Dallas High School to Falls City High School is because I was being harassed by alot of the kids going there, I also realized that I learn alot better in a smaller school than a big school. While I was attending Dallas High School I was taking online classes and in order to get credits I intended to take them for a full semester, due to me transferring in the middle of the semester to Falls City High School I was not able to receive any credits for those classes.

To whom it may concern:

I am writing this letter on behalf of Selena LaVoie.

Selena attended Falls City High School as a freshman and did adequate work in the classroom. She participated in sports and everything was going well for her. At that time she was living with her grandmother. At the beginning of her sophomore year she transferred to Dallas and a different living situation.

In November Selena transferred back to Falls City. She was taking some on-line classes in Dallas that she got no credit for and was struggling with her other classes. Since Falls City is on a trimester system and Dallas is on a semester system Selena did not pass 5 classes in the last trimester making her ineligible to participate in sports.

Selena is doing well in Falls City and is adjusting well here and performing on level academically.

I believe that participating in sports will help Selena to continue to perform both academically and socially and encourage you to grant this eligibility request.

Respectfully

Jack Thompson, Superintendent  
Falls City School District

To whom it may concern:

Dallas School District #2 is aware Selena Lavoie has transferred to Falls City after attending Dallas High School. Selena Lavoie leaves Dallas in good standing behaviorally. She may need an academic waiver to participate in athletics. If anyone needs additional information please do not hesitate to contact me.

Sincerely,
