To whom it may concern:

I am writing this letter on behalf of Selena LaVoie.

Selena attended Falls City High School as a freshman and did adequate work in the classroom. She participated in sports and everything was going well for her. At that time she was living with her grandmother. At the beginning of her sophomore year she transferred to Dallas and a different living situation.

In November Selena transferred back to Falls City. She was taking some on-line classes in Dallas that she got no credit for and was struggling with her other classes. Since Falls City is on a trimester system and Dallas is on a semester system Selena did not pass 5 classes in the last trimester making her ineligible to participate in sports.

Selena is doing well in Falls City and is adjusting well here and performing on level academically.

I believe that participating in sports will help Selena to continue to perform both academically and socially and encourage you to grant this eligibility request.

Respectfully

Jack Thompson, Superintendent
Falls City School District

I, Juanita Slay authorize Falls City School District to release Selena LaVoie's school record to the OSAA for review of her eligibility

The reason my daughter Selena Lavoie has been transferred from Dallas High School to Fall City High School is because she works better in a smaller school, also she was also being harassed in school.

Trinita Day

The reason why I transferred from Dallas High School to Falls City High School is because I was being harassed by a lot of the kids going there. I also realized that I learn a lot better in a smaller school than a big school.

While I was attending Dallas High School I was taking online classes and in order to get credit you needed to take them for a full semester, due to me transferring in the middle of the semester to Falls City High School I was not able to receive any credit for those classes.
