

MYRTLE POINT JR./SR. HIGH SCHOOL

Ken Smith, Principal

Dear Committee:

This letter is to confirm that Cameron Lanier has experienced some significant obstacles the past few years. I am familiar with some of Cameron's struggles and would like to encourage the committee to allow Cameron the opportunity to participate this school year. As the Principal at the high school I assure the committee that Cameron would greatly benefit both socially and academically by being allowed to participate in school sports. Thank you for your consideration. Please contact me if you have any further questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ken Smith".
