

To whom it may Concern

1-11-2016

My Son Sam Hilliard moved from Weiser Idaho to Wallowa Oregon for the better being of his self and little sister. Their father is going threw a few things in his personal life that the kids don't need to be going threw. So ~~for~~ for the better being of Sam it is better for them here. I hope this helps make your minds up he love to play Basketball and needs sports to help keep him focused and on track.

Thank you
