To: Whom it May Concern,

My son Maxwell J. Schmitt has transferred from Liberty High School to Hillsboro High School, both are schools in the Hillsboro School District. I Karen Schmitt Max's mother started the transfer process the end of October 2015, but we did not hear from the district if the transfer request was approved until December. Max started at Hillsboro High School on December 8, 2015. Max was having trouble at Liberty with a certain peer group and had many classes with these peers. We decided that it was in Max's best interest to transfer schools. We felt this was the quietest way to solve the issues Max was having and felt this would be easier on Max not involving those peers. Max to date has been a different person and seems much happier at his new school. Max has a brain tumor and from the result of this had a VP shunt placed in his brain. Max is only able to participate in swimming and baseball per his neurosurgeon. Max plays baseball in school and participates in summer ball. I am asking OSAA to please grant Max the approval to play baseball for Hillsboro High School for the spring 2016 season. If you need any further information please do not hesitate to contact me via phone or email.

Thank you for your time in this matter

To: Whom it May Concern,

My Name is Max Schmitt. I am currently a junior at Hillsboro High School. My request for an in district transfer from Liberty High School to Hillsboro High School was finally approved in December 2015. I talked with my parents about the trouble I was having at Liberty and how unhappy I was. We decided as a family that it would be best and I would be happier in school, if I transferred away from the peer group I was having problems with at Liberty. I have been playing baseball since I was in the 4<sup>th</sup> grade. Because of my VP shunt, my Dr. will only approve me to participate in swimming and baseball. I truly love playing baseball. I am asking OSAA to approve my participation in the 2016 spring baseball season.

Thank you  
Max Schmitt

Executive Director  
OSAA

Dear Tom,

As the Athletic Director at Liberty HS, I am writing on behalf of Max Schmitt's Hardship request. He attended Liberty High School during the first semester of the 2015-16 school year and later the Hillsboro School District approved his transfer request to Hillsboro High School. Our Administration and his family decided that a transfer away from a peer group here at Liberty would help him be a more successful student. His transfer is not due to athletic reasons. Thank you for your consideration.

Sincerely,

Alan Foster  
Director of Athletics  
Liberty HS
