Oregon School Association Activities
25200 SW Parkway Avenue Suite 1
Wilsonville, OR 97070

To: Whom it May Concern,

My son Maxwell J. Schmitt has transferred from Liberty High School to Hillsboro High School, both are schools in the Hillsboro School District. I Karen Schmitt Max's mother started the transfer process the end of October 2015, but we did not hear from the district if the transfer request was approved until December. Max started at Hillsboro High School on December 8, 2015. Max was having trouble at Liberty with a certain peer group and had many classes with these peers. We decided that it was in Max's best interest to transfer schools. We felt this was the quietest way to solve the issues Max was having and felt this would be easier on Max not involving those peers. Max to date has been a different person and seems much happier at his new school. Max has a brain tumor and from the result of this had a VP shunt placed in his brain. Max is only able to participate in swimming and baseball per his neurosurgeon. Max plays baseball in school and participates in summer ball. I am asking OSAA to please grant Max the approval to play baseball for Hillsboro High School for the spring 2016 season. If you need any further information please do not hesitate to contact me via phone or email.

Thank you for your time in this matter
