Dear Ryan:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1.2 (Satisfactory Progress Toward Graduation). I have carefully reviewed all of the information that you have submitted, and I have concluded that eligibility should be granted because the student's Individualized Education Program (IEP) team has determined that the student is making adequate educational progress towards meeting the goals and objectives outlined in the IEP.

Conditions of this eligibility shall be weekly monitoring by the school to ensure that the student continues to meet the requirements of his Individualized Education Program (IEP), attends school regularly (NO unexcused absences), is passing ALL six face-to-face classes each week, and completes his credit recovery plan as presented (completing two classes during each of the third and fourth quarters and completing 1.5 credits through summer school courses) so that he is back on track toward graduation (17 credits) by the start of the 2016-17 school year. If the student fails to meet these goals and objectives at any time, then eligibility is revoked. Any request for future eligibility would have to be resubmitted to this office for consideration.

It is our sincere hope that the student will benefit from this waiver.

Sincerely,
