Sky-Em eligibility Committee:

My name is Annie Carpenter and I am a 9th grader at Elmira High School. I attended North Eugene High School, my neighborhood school, for the first Trimester of this school year. A few weeks into the school year I realized how difficult it was going to be on my family, and me, with me attending one High School, and my sister attending another. My father is the Principal at Elmira High School where my sister is a Sophomore. Both my sister and I participate in a lot of activities so that only made the problem worse. I told my dad I wanted to transfer about ½ way through the volleyball season and he said if I did I wouldn't be able to play at Elmira High School, so we waited until volleyball was over, and the trimester ended. It was my understanding that everything would be OK if I did that.

The reason I changed schools had nothing to do with academics, or athletics, it was simply a decision that made sense for both myself and my family. With all of our busy schedules, it was just creating too many problems. Thank you for considering my application to participate in Spring sports at Elmira.

Sincerely,
