To whom it may concern;

My name is Talia Whitmore and as of January 26<sup>th</sup> my siblings and I have been enrolled in the Elgin School District starting out the second semester as we felt this was a good time to transfer, considering my father's new current job for the City of Elgin. I enjoy playing the game of basketball and some track and field events but with my last injury I wasn't able to pursue in my junior year of basketball. As of January 29<sup>th</sup>, I was released from my doctor's care and now am very interested in continuing the season out on the Elgin girls' basketball team.

Thank you
