Dear Brian:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1 (Grade Deficiency) and OSAA Rule 8.1.2 (Satisfactory Progress Toward Graduation). After carefully reviewing all of the information that you have submitted, I have concluded that there is sufficient evidence to grant eligibility at this time. Documentation has been submitted to indicate that the school has put the student on a credit recovery program that will enable the student to be able to graduate on schedule.

Conditions of this eligibility shall be weekly monitoring by the school to insure that the student is attending school regularly (accessing Odysseyware daily), and making satisfactory progress in all required courses and credit recovery courses at each weekly check so that she meets all graduation requirements by June 2016. If at any time the student falls below this OSAA eligibility standard, eligibility will be automatically revoked.

It is our sincere hope that this waiver will be of benefit to the student.

Sincerely,

A handwritten signature in black ink that reads "Tom Welter". The signature is fluid and cursive, with "Tom" on the top line and "Welter" on the bottom line.
