

It is the mission of Portland Christian Schools to educate students in the truth of God's word in every area of instruction and activity, so that their lives may be transformed by the renewing of their minds.

February 5, 2016

To OSAA Officials,

This letter is being written on behalf of Zuriel Hammond, a recently admitted student to Portland Christian High School. Zuriel has been enrolled as a junior with an excellent academic status. He has been homeschooled for three years, with registration in the state of Washington. His parents moved to Washington from North Carolina and were not certain of the public school system, and with great concern for their son's education, decided to homeschool.

Zuriel is a highly capable and intelligent young man with great academic potential. For this reason, his parents decided to pursue a college prep high school experience for him. He is seeking to take advantage of language, SAT Prep, and Honors and Advanced Placement courses offered at our school. These are courses and experiences that his parents felt were not available to him as a homeschool student. It is my view that he will be a successful student at Portland Christian and he will be better prepared to meet his college goals by attending the school.

Regards,

Sherri James

Dean of Students

Portland Christian High School
