

To whom it may concern,

my name is Laura Miller parent of Robert Torres, and this letter is to inform You that we just moved to Oregon from California due to financial hardships and to be closer to family. when talking with Robert about what school he wanted to go to he told me that he would like to go to bandon high instead of Port Orford. When I had asked his reasons for wanting to go to bandon high he had told me that he had talked with his cousins that are graduates from Bandon high. They informed him of all the school activities, programs and clubs that they had and he was very excited to join them.
