Hi, Mike,

Prior to the recent transfer, Jasmine had been with Boise Girls Academy, a boarding school in Boise, Idaho, till the end of January 2016. She had been studying in Boise Girls Academy for over a year and she really missed home and we decided to take her back. Late last year Jasmine applied for Westside Christian High School and got admitted for the mid school year transfer.

Choir is a subject Jasmine really enjoys and that's why she chose Choir as one her courses here at Westside.

Jasmine will send you a separate email and I will try to contact the teacher at Boise Girls Academy, but probably wont hear from them till tomorrow at the earliest.

Regards,
Li Tang
