Dear Brian:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1 (Grade Deficiency). After carefully reviewing all of the information that you have submitted, I have concluded that there is sufficient evidence to grant eligibility at this time. Documentation has been submitted to support the claim that the academic deficiency is primarily due to circumstances beyond the control of the student, the student's parents, or both.

Conditions of this eligibility shall be weekly monitoring by the school of the student's academic progress in the PCC/Gateway program. The student must stay enrolled in all current classes and be passing all classes each week. She must also complete any credit recovery requirements that are necessary to be on track toward graduation by the start of the 2016-17 school year. If at any time the student falls below this OSAA eligibility standard, eligibility will be automatically revoked for the remainder of the semester.

It is our sincere hope that this waiver will be of benefit to the student.

Sincerely,
