Tracy Fivecoat  
North Lake High School

Dear Ms. Fivecoat and the OSAA hardship committee,

I am glad to hear that Matt Palomino is attending your school and interested in playing baseball. Matt was an active student at our school and on-track to graduate this year with his modified diploma. We think it is important that Matt be part of any athletic teams that you offer.

Matt's home life has prevented him from staying in our school. I understand that he had to move back to North Lake because of a family situation. I know that he has a supportive family there and it only makes sense that he would go back there. I think that participating in baseball will also help him to come to school regularly and finish his last year of school.

Please consider Matt a worthy candidate for receiving the hardship.

Sincerely, —

Dianne Gorman, Principal  
Butte Falls Charter School

To whom it may concern;

I am writing on behalf of Matthew Palomino. Due to circumstances beyond his control, he had to move in with our family in late December, his mother essentially abandoned him. He has very little positive things in his life and playing sports is the one thing that he greatly looks forward to. He is a senior and this will be his last opportunity to play school sports. It is only to his benefit to allow him to play, he is an asset to the team and the opportunity is an asset to him.
