Dear Christopher:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA rules. After carefully reviewing all of the information that you have submitted, I have concluded that the student is not eligible at this time. However, the circumstances surrounding this situation warrant that the student's academic progress be closely monitored and eligibility will be granted on the above date if the student is meeting OSAA academic requirements at that time.

Conditions of the student's future eligibility shall be weekly grade checks by the school in each of his 5 classes. The student will become eligible to compete on March 28th if he is passing all classes at that time. The student must be passing ALL 5 classes each week for the remainder of the school year (3rd and 4th quarters). If at any time the student fails to meet these requirements, eligibility will be revoked for the remainder of the semester.

I sincerely hope that this student will benefit from this waiver.

Sincerely,
