To Sheridan High School:

I am writing you this hardship letter to request that my son, Joseph Richter, be accepted to play baseball this year for Sheridan High School. Joseph was previously living in a group home in Tigard, due to probation supervision and counseling. He was successful in this program and recently released to move back home. Due to the conditions of his release, Joseph is not allowed to live with me and is currently living with his grandmother, RaeLene Moore, in Sheridan. Joseph is a previous student from Sheridan where he attended K-7 grade before going to Tigard. The move to Tigard was not of his choice but we are glad he is able to be back with us now to finish out High School in his home town.

This will be Joseph's first year playing High School sports and he is looking forward to playing baseball his junior and senior year. My hope is that you will accept this hardship request and grant him this opportunity to be a part of this team.

If you have any questions, please feel free to contact me at, 971-241-5857.

Thank you,
