To whom it may concern;

Levi Williams has transferred to Ridgeview high school from Los Plumas high school for the following reasons. Levi's grades started to drop due to depression. Levi was being bullied in school by seniors in the school. Unfortunately we could not get this resolved in a timely manner so I decided to let him stay with his grandma and finish his school year at Ridgeview high. In the meantime, I am working with the school to fix the bullying problem.

Thank you

Blaine Williams
