

Dear OSAA Academic Eligibility Board,

2/23/16

Antonio Lujan is a senior at Mazama High School who is being served through an Individual Education Plan, (IEP), in the academic areas of mathematics and written language. Antonio's disability also affects his short term memory skills as well as his test taking in all subjects. His IEP team switched Antonio from a regular to a modified diploma in November. Since then, Antonio has made up a credit on Aventa, and passed all 7 of his classes. He is currently passing all of his classes, and is on track to graduate with his modified diploma in June of 2016.

Antonio is a hard working student who tries his best in all of his classes. If he gets a low score on a test, he will ask his teacher to re-take that test. He is a dedicated student who wants to do well on all assignments. Antonio is also a kind and caring young man.

As his case manager, I feel it is vitally important for Antonio to be allowed to participate in athletics. He does better in all academic areas because he plays baseball. It is the IEP team's determination that allowing him to continue with extra curricular activities will support his continued academic growth.

If you require any additional information or if you have any questions or concerns, please feel free to contact me at 541-883-5024 or through email at [harriss@kcsd.k12.or.us](mailto:harriss@kcsd.k12.or.us).

Thank you,

Stephanie L. Harris
