To whom it may concern,

I am writing this letter in regards to my son Antonio Lujan.

Antonio has struggled with school all through high school. He has had an IEP since he was in Jr.High. The IEP team feels that it would be in his best interest as do i to continue to be in sports. He is on target to graduate with a modified diploma and at this time he is passing all 7 classes. He will continue to keep his grades up and as a senior in high school this will also be a way to help him with his self-esteem.

I appreciate you taking the time to look over this matter and if you have any questions or concerns please contact me.
