I need to submit a credit recovery plan/progress for Ms. Courtney Cox. She has gotten herself back on track and would like to play softball but they need "evidence" that she is working in credit recovery and will continue to work in credit recovery to get herself on track to graduate.

Thanks!

PEAK has ranked her as "High Performing." As of today's class, I can confirm that she is half finished with the class. She has come in twice during her own excused periods to take tests. Because of the late start in Credit Recovery and confusion with enrollment, she didn't get started until about a week ago (not sure of the exact start date), but I don't think she really got rolling until last Wednesday/Friday.

I could try and print you something out, but I'm not familiar with the PEAK reports. If they e-mail me something, I will forward it to you.

Is this enough?

Heidi
