Yes, I am aware and am not opposed to her participating in OSAA activities at Faith Bible.

Good morning,

I am in the process of filing an eligibility waiver request for Carrie McCaslin, allowing her to participate in Track & Field as well as Choir. The only document I need is a letter from you, in effect saying that you are not opposed to her participating in OSAA regulated activities here at Faith Bible. If you could send me an email to this effect, I would greatly appreciate it.

Thank you,
