

I Mikayla Wisbey transferred to SHS because that's the school my older sister attended and my Dad also lived in Roseburg. My sister Shayla really liked the school and had lots of friends and convinced me to give it a try, so I did. I didn't enjoy it as much as I did Riddle though.

I attended SHS for a full semester. I was bullied and harassed about my hair color; this was almost an everyday thing. I tried to ignore their comments but sometimes it would get to me. I also struggled keeping my grades up because I didn't get the help I needed there. SHS is a much larger school than Riddle and has many more students.

As I struggled I went into a depression where I never wanted to go to school anymore, and I never wanted to do anything. I also had problems going on at home to with my stepmom. I really missed all my friends and family at Riddle.

Each year I look forward to playing sports especially softball. I'm working really hard to keep my grades up, and to make everything right. I'm a lot happier now that that I came back to Riddle cause this is where all my friends and family are and the teachers help me understand the work.

I am hoping you decide to let me play for my School this year it would be very appreciated.

Sincerely,

Mikayla Wisbey
