

2/10/2016

To whom it may concern:

Cy Marsh came to live with our family in January of 2016 because he graduated from the rehabilitation program he was in. Due to confidential circumstances, he was unable to return to his adoptive family in La Pine.

Feel free to call me with any questions.

Sincerely,

A handwritten signature in dark ink, appearing to be 'Sara Smith', with a stylized, cursive script.

Sara Smith
