Memo

To: OSAA Executive Director
From: Jake Bacon – Assistant Principal, Hermiston High School
Cc: Raymon Smith – Superintendent, Echo School District
Date: 3-8-16
Re: Hardship

Hermiston high school is in full support of the recommendation from Echo School district regarding the hardship request for Cheyenne Hilliard. The benefit for Cheyenne to be involved in a team environment is a necessity. Cheyenne's family dynamics have not always created opportunities for success. The opportunity to be a team member would be a strong benefit to Cheyenne.

Please feel free to contact me with further questions.

Sincerely,

Jake Bacon – Assistant Principal
