Re: Athletic Hardship for Skylar Godwin

Please consider accepting the hardship petition on behalf of Skylar Godwin. He wishes to participate in Track & Field for the 2016 season. He is a bright young man that has taken strenuous courses at McMinnville High School in the past and despite personal hardships, has done fairly well. If he has his request accepted, I will personally see to it that he stay on track for graduation through monitored attendance and great attention to his studies and grades. I am willing to attach my reputation to this young man and vouch for him.

He really enjoys the sport and participating in Track is important to him. Thank you for your consideration.
