Mr. Dugan:

I am writing you this letter in regards to Bailie. The last several months/semester have been hard on Bailie. Bailie has been threw several deaths, problems on the home front, moving, bullying and depression. Life has been throwing a multitude of curveballs her way and she is working threw and dealing with them as best as she can, with as much support as we can possibly give her. Bailie is bright kid and will come out victorious. Bailie has always been a good student and will be again. We ask that you please let her play softball. Softball is one of her passions and a key in getting her to the top of the mountain she is climbing with victory in hand. Thank you for your time and attention in this matter.
