Subject: Travis Reitz Eligibility

Andy,

In reviewing the Eligibility Request Form that you have submitted for Travis Reitz I noted that it appears that he received no credits during the 2nd trimester of the 2014-15 school year. Can you provide more details regarding that period of time? Was he enrolled at Ridgeview High School during that time? If not, what was the hardship (“...circumstances beyond the control of each of the student and the student’s parent(s)...”) that prevented the student from gaining academic credit during this period of time?

Thanks Andy!

Tom
