To whom it may concern:

My Son , Kyler Turin was transferred from the Centennial School District in January 2016 to the Oregon Trail School District due to unsafe circumstances at his mothers house at the time. His mother had to move unexpectedly from their apartment and was not able to care for Kyler at this time so he came to live full time with us in January. We were unable to keep him in the Centennial School District as it would have been a hardship to us to transport him to and from as we live in Sandy Oregon. Kyler has always wanted to go to Sandy High School and play sports. It was a very positive and much needed change for him. We appreciate your attention to this matter and review of the circumstances.
