

Dear District Committee,

My son Clayton Morehead started the 2015/2016 school year at Scio High School as a freshman on a District transfer from the Santiam School District, he attended there about three weeks and did not play any sports. My son now attends Regis High School and plans on continuing his high school education and graduating from Regis.

Makayla and Clayton would like to participate in golf that is offered by Regis High School this year. Makayla would like to play golf, its her last time to be able to participate in a high school sport since she will be graduating this school year. Clayton would like to play golf and hopefully be able to play all four years of high school. Dear District Committee,

I am writing this letter for my children who attend Regis High School, to request that they will be allowed to participate in golf which is offered as a spring sport at Regis.

My daughter Makayla Morehead attended Regis High School during her Freshmen 2014/2015 school year my daughter attended Scio High School on an District transfer from the Santiam School District where we reside. While attending Scio High School and Sophomore Years of High School, she was a cheerleader and played golf. she was a cheerleader. At the beginning of the 2015 school year (her Senior year) she attended Scio High School on a District transfer, for about three weeks then she was able to return to Regis High School where she plans on graduating. This fall, she did not play any sports or participate as a cheerleader.

If anyone needs to contact me they can call me at 503-910-9611 or email me at drfoothills@aol.com

Thank you, David Morehead (father)
