Dear District Committee,

My son Clayton Morehead started the 2015/2016 school year at Scio High School as a freshman on a District transfer from the Santiam School District, he attended there about three weeks and did not play any sports. My son now attends Regis High School and plans on continuing his high school education and graduating from Regis.

Makayla and Clayton would like to participate in golf that is offered by Regis High School this year. Makayla would like to play golf, its her last time to be able to participate in a high school sport since she will be graduating this school year. Clayton would like to play golf and hopefully be able to play all four years of high school. Dear District Committee,

I am writing this letter for my children who attend Regis High School, to request that they will be allowed to participate in golf which is offered as a spring sport at Regis.

My daughter Makayla Morehead attended Regis High School during her Freshmen 2014/2015 school year my daughter attended Scio High School on an District transfer from the Santiam School District where we reside. While attending Scio High School and Sophomore Years of High School, she was a cheerleader and played golf. she was a cheerleader. At the beginning of the 2015 school year (her Senior year) she attended Scio High School on a District transfer, for about three weeks then she was able to return to Regis High School where she plans on graduating. This fall, she did not play any sports or participate as a cheerleader.

If anyone needs to contact me they can call me at 503-910-9611 or email me at drfoothills@aol.com

Thank you, David Morehead (father)

To Whom It May Concern:

My name is Patrick Dutcher and I am the Principal at Scio High School. I would like to request an exception for Makayla Morehead to be eligible for sports competition during the 2015-2016 school year at Regis High School.

Ms. Morehead was a student at Scio High School from 9/8/2015-10/8/2015. During this time she did not participate in a sport at Scio High School and was a model student. She was out-of-district transfer to us from the Santiam Canyon School district.

Makayla then transferred to Regis High School on 10/9/2015 for family reasons and it was not for sport participation. We at Scio High School have zero reservations about her eligibility to participate in sports at Regis High School.

While I understand and support the rules and restrictions put into place by the OSAA, I respectfully request that an exception be made due to the circumstances of Ms. Makayla Morehead's transfer.

Thank you for your consideration and if there are any question please feel free to call me at Scio High School.

Sincerely,

Patrick Dutcher---Principal

Jim Mask---Athletic Director

To Whom It May Concern:

This letter is written in support of a waiver of the transfer rule for Makayla Morehead. Makayla is a senior attending Regis High School. Makayla transferred to Regis in late September and has been a good student in behavior as well as succeeding in the classroom. She is on track to graduate this spring. I believe she would benefit from participation in golf.

Respectfully,

Scott B. Coulter
Principal
