

March 9th, 2016

Dear OSAA Board,

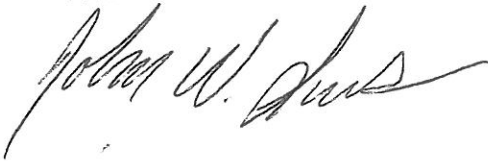

My son Brogan Sams has had many hardships in his past. When he was a sophomore at Glendale High School he was given an Incomplete in Spanish 2. When he received the Incomplete I then transferred him to Lebanon High School. At Lebanon High School he had many hardships. While at Lebanon High he failed Sophomore English B and Geometry. I then transferred him to North Valley High School where he began to get help. He struggled in Junior English A.

Now that my son Brogan is attending North Valley High School he has received more help than I imagined I didn't think he would improve as much as he has in the last year. Brogan has received a total of 4 credits this semester: 3.5 credits in class, .50 credit(s) on an online makeup program designed to help students that are behind get their credits back. As of right now he is set to walk with the Graduating class of 2016.

I am writing this letter to you today to request that you look over the 0.25 credits that he did not have at the beginning of his Senior year so he can play baseball. He has been working hard to make up his hardships from the past and trying to play the game that he enjoys.

Sincerely,

John Sams
