RE: Student eligibility

I would like to take this moment to recommend that Chelcey Cousineau be given the chance to participate in your athletics programs. She tried hard when she was at our school district, and always did her best to do the right thing. I think she has a lot of potential, and is definitely worth giving this opportunity to. If you have any questions, please do not hesitate to contact myself.

Sincerely,

Brenyl Swanson  
Superintendent  
Glendale School District
