

To Whom It May Concern,

Olivia Clark-Gunter is applying for a hardship to be able to play softball for North Valley High school. Last semester, Olivia had to leave school for a few months due to personal issues. While Olivia was away, she did well in the classes that she offered. Since coming back to North Valley, she has continued to do well. We feel that playing softball is healthy and good for Olivia's emotional and physical well-being. Olivia loves softball, she was on the team last year, and did very well. Softball is important to Olivia, being on the team gives her something to look forward to, and it helps to give her a sense of belonging. Thank you for your time.
