

## Scappoose Indian Athletics

Honoring Tradition, Inspiring Excellence, Shaping the Future

To COWAPA League Eligibility Committee,

This is a letter in support of Derek Badger and his request for eligibility at Scappoose High School. Derek has decided to transfer to Scappoose High School from St. Helens after some issues that had arose. Derek and his parents believed that he needed a fresh start academically and socially. There were some situations that made it extremely difficult for Derek to interact, some brought on by his actions and some were not. As you can see his grades have improved and he has proven to have adjusted well and done a good job at Scappoose High School. I respectfully request that you grant his eligibility request as I believe this is the best place for Derek and his future.

Thank you

Sincerely,

Robert Medley  
Athletic Director  
Scappoose High School
