OSAA,

I am writing this letter of hardship because I would like to compete in Choir State Competitions. The reason I am not eligible is because 1st semester I transferred to MHCC and was a full time student there taking three classes and 12 credits. Although when transferring back to Sandy it was only seen as I was only enrolled in 3 classes and OSAA rules state that I need 5. The reason I transferred to MHCC was because my little brother passed away from cancer and I needed a more open schedule for time to be with family. Although I transferred I still did well in classes there only being a high school student taking challenging college classes. I got 2 B's and a C. Here at SHS I have gotten no less than a 3.0 gpa every semester. Cumulative it's a 3.2. I have always been a good student that has participated in choir and sports. I just suffered a loss that was very close to my heart. I have been doing choir since the 6th grade and it's one of my biggest passions, I love competing and even did so in New York last year in Carnegie Hall. I hope you take my competing in too deep consideration.

Thank you,

Gloria Vargas

OSSA,

My daughter Gloria Vargas had some unplanned circumstance that occurred at the beginning of her junior year. Gloria had to switch schools during the first semester of school due to the death of her step brother Mason. This was a very hard time for Gloria and switching schools gave the opportunity to spend more time with our family and Mason's family. Gloria needed coping time to deal with Mason's passing and at that time, that was the right choice for my daughter. Gloria is a very responsible person, hard worker and a great student. She has always been involved in school sports/activities and she is very passionate about choir.

Please feel free to contact me if you have any further questions
