To:Dave Williams <dave.williams@bend.k12.or.us>;

My son Mason started his freshman year in Klamath Falls Oregon at Eagle Ridge High School 2013. His dad got a job in Bend October of that year and commuted on the weekends. The next school year we put our house for sale and came to Bend to be with him. Our house was not selling and we decided to do some improvement on the house to help the sale. I came back and put Mason back in eagle ridge for the remainder of the year. We enrolled him in homeschool so we could be back and fourth to be with his dad. I got a job at Buckingham elementary school that started in February and we decided to move everyone back here. We still have our house in Klamath Falls, but we reside here at 60801 Brostergous rd in Bend.
