Mr. Medley  
Athletic Director  
Scappoose High School

I am writing this letter in hopes of my daughter Hana being reinstated in the OSAA so she can participate as a Senior for your dance team at the OSAA Dance Team Championships. We moved Hana from the HS due to distractions that detracted her from learning in her final courses to graduate this school year. Hana is currently enrolled in the South Columbia Family school in Warren, Oregon within your school district. She is passing all her required classes and is on track to graduate this school year. Thank you for your consideration in this matter.
