Dear IMC ADs,

The purpose of this letter is to request a Transfer Waiver for Gavin Peterson. Gavin is a senior who transferred to MV from Shelton High School, WA on December 8, 2015. Gavin moved here to live with his grandfather in a last ditch effort to turn his academic life around. They live in the MVHS attendance area. Since arriving here in December, Gavin has been able to pass all classes. His issue (as you can see from his transcript) is not making Satisfactory Progress toward Graduation. He realizes that although this would be his last season of eligibility, he will return next year to complete requirements for his diploma.

Our plan is to require weekly grade checks and maintaining at least a 2.0 GPA.

Gavin would like to participate in baseball this spring.

I fully support his participation in athletics.

Thank you for your attention to this matter. Please contact me if you have questions or concerns.

Sincerely,

Dave Hood
Athletic Director

Dave Hood,

I'm glad to hear the transfer of Gavin Peterson to Mountain View High School has resulted in him doing well in the classroom. He is a really nice young man that has had to overcome many challenges outside his control. Gavin attended Shelton High School from 9/2013 – 12/2015. During his attendance he struggle academically at times. He had little disciplinary history with no infractions since 2/2014. Athletically, he quit basketball in 2014, played varsity baseball in 2015 and quit wrestling in 2015. The only athletic code violation was being academically ineligible at one point. His last physical was completed 11/20/2014. While at Shelton Gavin did remarkably well considering the instability of his family. From Shelton High School's perspective there are no underlying issues that would prohibit him from participating in your athletic program other than what your state interscholastic athletic association requires. Athletics can be a hook to help our challenged students stay on track with their academic success and for Gavin this really is true. I hope it works out for Gavin to play baseball in this his final year of eligibility.

Regards,

Jim Judson

Eligibility letter

Gavin Peterson

To: Hello, my name is Gavin Peterson I came from Shelton, Washington. I came down here because I was struggling with my grades, my Mom didn't get on me about school, and the school I was going to wasn't a good school, so I decided to move to Bend with my grandpa so he could help me out in school ^{with} transportation, and just to give me a better life. In school back in Shelton I messed up by not doing good in my classes, going to school, hanging out with people. I shouldn't be hanging out with, and also going to school but just not doing the work. I have changed since living with my grandpa, I've gotten way better grades, I go to school almost every day, I actually want to go to school now ~~that~~ after my grandpa lectured me, and also it's my last year of eligibility for sports and it would be pretty upsetting if I wouldn't be able to play, thanks.

Sincerely, Gavin Peterson

To Whom it May Concern,

I am writing you in regards to Gavin Peterson and his eligibility to participate in baseball this spring. Gavin Peterson came to Mountain View this Fall of 2015. Before coming to Mountain View he did not feel very successful in school and experienced an inconsistent home environment. Since moving to Bend and living with Grandpa, Gavin has pass all his courses and is moving in the right direction to graduate a year from this spring. He entered MVHS knowing that he would have to complete a fifth year of high school, which he is committed to accomplishing. He is working towards graduation in the spring of 2017 by passing all his courses, and making up courses failed through credit recovery.

Sincerely,

Kate Hunter
