

My name is MacKenzie Fassold: I am sixteen years old and a sophomore and Vernonia High School. I recently moved from Sherwood High School and want to participate in Track and Field because I have been doing it since sixth grade. I have only ever done this sport and always loved it. I am a fairly exceptional athlete and have placed first with my throws quite a few times. I have gone to districts every year and would like to continue with my success. The reason I moved to my father's because I did not like how things were going at my mom's and I am permanently staying in Vernonia and plan to graduate at this school.

Thank you for your time, MacKenzie Fassold
